8th Al Eggleton	7 - 8 - 0	
(1) Please note that on match days the venue listed on the fixture list is closed to all except those taking part in the match (competition rule 6). Proceedings on Sunday were marred by the appearance of a member intent on doing some 'swim clearance' at the side of peg 7 despite an angler in the match being at peg 8. Please do not undertake bankside clearances without the express permission of the baliff and/or the secretary.		
(2) Please also note rule 29 - all waters (except the R.Ouse and the Horse Pasture) are permanently pegged and members must fish from these pegs and not create new swims.
